

Hi everyone! It's Mai and Siobhan again with another update! We're winding up week 6 and have been seeking feedback on 5 potential strategies.

If you haven't already, check on 5 potential

In depth summary: Week 6

Stage of project: Step 2 - Action Plan

Met with our university	Gained incredibly valuable feedback on strategy ideas Students expressed interest in attending another discussion group to refine the chosen strategy

In depth summary: Week 6

Stage of project: Step 2 – Action Plan

The feedback we received on our dissemination poster indicates that the needs were well-captured. Additionally, the survey responses help us understand more about staff's preferences and ideas about each strategy.

The discussion group with students was a highlight of the week. We discussed potential strategies that have come out of the needs analysis, and pros and cons of each. Every student interacted and engaged very well within the session, and we were able to build rapport well. Each student expressed that they would like to
