Due to the social and educational disruption caused by the COVID-19 pandemic, Flinders University will continue to offer the Year 11 Grades Admission Pathway for 2023 entry, enabling students to apply for an eligible Flinders course based on their Year 11 Grades.

This pathway is being offered in addition to the existing range of entry pathways available [flinders.edu.au/study/pathways](http://flinders.edu.au/study/pathways)

### H A L

If successful, this pathway will provide an early conditional offer to study at Flinders University in 2023.

### H CAN A L

This pathway is available to students undertaking Year 12 in 2022.

All current Year 12 students in South Australian and Northern Territory schools. In addition, Year 12 students from Victorian and New South Wales border schools are eligible to apply.

Contact us if your school does not meet these eligibility requirements.

This pathway is also open to International Students if they have completed Year 11 in Australia.

## C E ELIGIBILI

As part of the application students will be required to indicate which course they would like to be considered for through this pathway, from the list of eligible courses attached.

If the course a student wishes to study is not included in this pathway they should confirm the entry requirements for their preferred course from the relevant course page [flinders.edu.au/study](http://flinders.edu.au/study)

Alternatively they may contact us for personalised advice.
